#### **Vision:**

Placement and Career Guidance Committee aim to guide and direct students to set their career goals and stimulate them to exercise their consistent endeavors to accomplish their career objectives.

### **The functions of the committee members**

1. The objective of providing guidance and assistance for the students to achieve their career goals. It provides awareness on higher studies, self employment and job opportunities. The unit takes adequate steps in identifying the current demands of the industry and prepares students towards this need. Adequate emphasis is given for soft skill development complementing the regular academic performance since we identified a gap in students.
2. The career guidance cell provides services in areas of services in areas of campus interviews; job placements and training programmes for our students that enable them to develop applicable skills in the competitive job market.
3. This cell organizes, workshops and seminars on personality development, interpersonal skills and presentation skills to enable the all round development of individuals.
4. The cell organizes the programmes to create awareness about the importance of higher studies in the country and abroad.
5. Also conducts orientation programmes for fresher.
6. Follow-up activities.
