**Vision**

- Gender Champions are envisaged as responsible leaders who will facilitate an enabling environment within their educational institutions, where girls are treated with dignity and respect.
- They will strengthen the potential of young girls and boys to advocate for gender equality and monitor progress towards gender justice.

**Functions of GSC are as follows:**

1. To provide an integrated and interdisciplinary approach to understand the social and cultural constructions of gender that shapes the experiences of women and men in society.
2. To make the young boys and girls' gender sensitive and create positive social norms that values the girls and their rights.
3. To understand the concept in which women and men enjoy the same opportunities, rights and obligations in all spheres of life.
4. To provide guidance to bring about all individual change in the minds of young generation especially male to respect females through the medium of discussion, seminar, workshop etc.
5. To apprise about the equality of women and men with regard to political representation and participation.
6. To organize seminar, workshops, conferences to awaken interests amongst population for our community become safer for females.
